

KWTTS Consent for Evaluation and Treatment/Appointment Information

As your practitioner, we may set up various appointments for you or your family to be seen for evaluation and treatment and or testing. Unless there is a prior arrangement with the mental health providers, a parent or legal guardian must accompany the child to each appointment and be available for the duration of the session.

We make every effort to begin appointments on time, and if you ever wait more than 10 minutes past your appointment, please notify the front receptionist. If a mental health providers needs to cancel an appointment either due to illness or an emergency, you will be notified as soon as possible (for this reason please keep us informed of any address or telephone changes for you and your family).

If you need to cancel an appointment, please call our receptionist no later than 24 hours prior to your appointment. If you do not give us 24 hours advance notice, the missed appointment will be counted as a "No Show".

I, _____, give my permission to KWTTS to provide evaluation and treatment. I have read the above or have talked with a mental health provider above, and I understand the policy regarding: appointment times, cancellations and "No Show" appointments.
